

Gemini Europa S.r.l.

Gemini Europa S.r.l.

Is part of the Gemini Group, together with Gemini Europa S.a.s., founded in 1984 by a group of professionals with all the skills to assist the private and public Organisations and their Management with the aim of expanding its business in the European countries.

Each job has a team properly designed, with a senior consultant to guide it. The number of people involved in every project depends on the entity of the job itself.

Gemini Europa works following the UNI EN ISO 9004/2 (Quality System for the Consultant Companies) and generally the UNI EN ISO 9001.

*Azienda con Sistema Qualità Certificato
num. 50 100 1345
Accreditamento SINCERT*

The mission

To assist the clients, to become their partner in getting through and over with the company's difficulties, to make them competitive through innovation (not only technological) doing it all in quality. The **customer satisfaction** is our main objective.

Gemini Europa

is partner :

- MCC International b.v. (Amsterdam) for the managerial educational training.
